SUPER-HOOPER-DYNE LIZZIES.

By Mack Sennett. /

With radio propulsion for the erstwhile
laggard Lizzie, the inventor, en route to great riches
has put quite a business crimp in the gasoline distribu-
tion of T. Potter Doan, an unfavored suitor for the
hand of the inventor's daughter, Winnie Watts. Doan de-
termined to be revenged for the business jolt and the
coolness accorded his suit, attempts to wreck the
power plant of the inventor, but the faithful helper,
Hirman Case, foils the plans, unmaskes the villain and
marries the winsome Winnie.
